

S1040

OVERVIEW

A large viewing area and remote controls give you a better view of your workspace and the ability to easily adjust sensitivity, delay, shade, and usage mode with the hood down. The S1040 also features 4 darkening sensors, Vision+, and a 1/1/1/2 rating.

TECHNICAL SPECIFICATIONS

S1040

Product code	9875040
Standards	EN 175:1997, ISO 16321-2:2021 AS/NZS 1337.1, AS/NZS 1338.1
Operating temperature range	-5...+55 °C
Welding filter	S004
ADF light state	DIN 4/5-8/9-13
ADF switching time	0.30 ms
ADF battery type	1 x CR2450
ADF UV/IR protection	At all times
